

PALS (Perfecting All Learning Skills)
Specialty Registration 2020-2021

Perfecting All Learning Skills (PALS) is a Tuesday/ Thursday option for our 3-day VPK students and our 3-day 3 year olds when they reach the age of 4.

Student's Name: _____ Birth Date: _____

Teacher's Name: _____

Enrollment Fee: \$35.00 annually per year per family

Hours of operation: Tuesday/Thursday, 8:30-1:45pm

Fees: \$27.00 a day. PALS is billed each Monday for the week attending. Payment is due weekly, or you can pay monthly in advance by the 1st of each month. A \$35.00 annual enrollment fee is due at the time of use or preregistration. All tuition policies follow the same guidelines as outlined in your WCA Handbook. Pals may NOT be used if tuition and other fees are not current and paid in full.

Preregistration: will be offered on a yearly, monthly, or weekly basis depending on availability. You may email or stop by the office to reserve your days.

Cancellation: If you have preregistered, a 24-hour notice is required in order to avoid being billed. It is important for staffing reasons that we know in advance the number of students who are attending.

Meals & Snacks: Students need to bring a morning snack and a lunch from home, a back pack and change of clothes.

Curriculum will be based on a literary author study. Each day students will have a 30 minute playground time. The daily schedule will consist of curriculum that will enhance our students' regular class days as well as provide a low student to teacher ratio of 1:6.
